SUMMER CAMP PACKING TIPS

1. PACK EACH OUTFIT IN A SEPARATE ZIPLOC BAG

Use 1 or 2 gallon Ziploc bags to pack a complete outfit for each day. Shorts, shirt, socks, underwear. This will keep the clean clothes fresh when they start randomly stuffing the dirty clothes in the bag after a day or two. It will also keep the clean clothes dry if wet towels or swimsuits get throw on top of the bag

2. COMBINE RELATED TOILETRIES FOR EASY ACCESS

Use quart-size Ziploc bags or zipper pouches to combine related toiletry items (a shower pouch, a first aid pouch, a hair dressing pouch, etc.) and make it easy to grab what you need to move to a different room or location for use. Don't use full-size products to save space in both their luggage and the shared cabins/restrooms (and in case they are lost or forgotten!)

3. SEPARATE MONEY INTO DAILY ALLOCATIONS

Use bank envelopes, an accordion-style coupon pouch, a paperclip with post it notes, or some other method to designate daily allocations for spending money and any required travel money. Unspent funds can be added to the next day's allocation. This method also makes it easier for them to visualize and understand the consequences of dipping into an allocation ahead of time if they want to.

4. USE ONE NOTEBOOK WITH POCKETS AND PENS

Whether they are using their Bible daily at chapel or keeping a simple journal while they are away, finding an all-in-one notebook solution for them to carry and keep a few pens, loose-leaf paper and hand-outs will be a big help. We use a Bible carrying case with pockets, but you could accomplish the same with a 3-ring binder and pencil pouch or a traveler's notebook. It will give them a safe place to jot down names and numbers of new friends as well!
